

## **GET SET FOR WORK SUPPORT WORKER**

IN-STeP: Industry-School Training Partnership Inc. has a part time vacancy (3 ½ days per week) for a self-motivated and enthusiastic Support Worker, based in Townsville.

We are seeking a person who has qualifications and/or experience in areas of; Youth or Social Work, hold a 'Child Related Employment Blue Card', open drivers licence and enjoys a challenge. Proven experience, knowledge and an understanding of issues affecting young people and strong knowledge of the local area is essential. Knowledge of the hospitality and/or retail industry will be an advantage.

The successful applicant will assist the Project Facilitator to deliver the Get Set For Work program, funded by the Department of Employment, Economic Development and Innovation's *Skilling Queenslanders For Work* initiative. You will be working with disengaged or disengaging young people addressing their personal and training needs to help them overcome barriers and gain skills to take the next step into the workforce.

Applicants will have highly developed oral and written communication skills, be highly organised, sound negotiation skills and the ability to engage young people. If you have a passion to make a difference and the creativity to develop initiatives that will assist youth, then please apply.

Applications should address this advertisement and forward with a resume to the address/email below. All applications will be treated in confidence.
