by the Commonwealth of
Australia as represented by
the Department of
Education, Employment and
Workplace Relations

What is the Youth Connections Program ?

Youth Connections provides a safety net for young people who have disengaged, or are at risk of disengaging, from education and offers flexible case managed support and services recognising the role that family and community play in a young person's wellbeing and development.

Am I eligible for Youth Connections?

To be eligible you must be;

- aged between 14 - 18
- disengaged from education and not in full-time employment
- at risk of not attaining Yr 12 or making a successful transition through school to further education, training or employment
- an Australian citizen, permanent resident or on a humanitarian visa

How does Youth Connections work?

Providing flexible services tailored to the individual needs of young people aiming to improve their personal skills and wellbeing.

IN-STeP have also developed a fun range of activity based programs for young people to gain new skills and further develop existing skills.

We are here to assist youth identify and break through personal barriers and set goals for the future
